

# TRAINING ACADEMY

SH Advisory Training Academy offers a wide range of Continuing Professional Development (CPD) training programs covering audit, risk, compliance, leadership, and corporate governance.

We are the training provider of choice for various audiences, from executives, senior professionals, junior professionals, those starting out their careers, and students.

Our training programs are delivered through online platforms, in-person, hybrid, eLearning, short courses with formal assessments, and customized training to suit the needs of clients.

## Online

Online courses are an excellent way to learn or enhance your knowledge in a particular topic, from the comfort of your home or office, in a manner that suits your schedule.

## eLearning

eLearning is increasingly popular as it allows you to learn at your own pace to fit learning around your busy schedule!

## Short Courses

Lifelong learning is a continual process for every one of us. We offer a range of short courses to suit your needs, whether it is for personal interest or professional development. These range from short, introductory programs, to in-depth, practical qualifications.

## Customised In-house Training

Our training can be tailored to your organization's specific needs and delivered where you need it, when you need it, and at a price that suits your budget.

# Our training program per the theme.
